Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of candor and good faith imposed by 37

C.F.R. § 1.56 and means of complying therewith according to 37 C.F.R. §§ 1.97 and 1.98, the references listed on the attached Form PTO-1449 are called to the attention of the United States Patent and Trademark Office in connection with the above-identified patent application. The item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent office in a related foreign application not more than three months prior to the filing of the Information Disclosure Statement.

No admission is made that the cited references are prior art and/or material to patentability. The Examiner is urged to consider the references cited in the attached Form PTO-1449, and to make an independent decision with respect to their materiality.

It is believed that no fee is due herefor. If a fee is due, the Commissioner is authorized to charge our Deposit Account No. 23-3000.

Respectfully Submitted,
